Welcome Aboard!

Step aboard one of our six pontoon boats and enjoy a relaxing ride thru the lakes and canals while listening as your "skipper" points out areas of interest, describes area history, and points out wildlife.

More Than Theme Parks and Beaches

While the average traveler may come for the theme parks and beaches, those seeking an alternative will find a day in Winter Park to be quite enjoyable!

Since 1938 Scenic Boat Tour has provided a unique experience for visitors and locals alike. Located on Lake Osceola in Winter Park the relaxing, narrated, one hour cruise thru the lakes and canals, introduces guests to the history, wildlife, and beauty of central Florida.
